Re:Ignite

A 9-month, one evening a week school, on-line. Includes the DVD curriculum from the Bethel School of Supernatural Ministry.

WHAT TO EXPECT

We are passionate about seeing people transformed, equipped and released to impact their communities with God's love. The school combines hands on training and experience with academic understanding. Each session will include a mix of worship, sharing 'good news', teaching, group discussion and practical activities.

Students will be encouraged to grow in areas such as prophecy, healing and words of knowledge in a fun and safe environment where they can learn to take risks without fear of failure. Our aim is to release individuals into a life of adventure with the Holy Spirit, secure in their identity and the Father's love and equipped to walk in His power and anointing.

REQUIREMENTS OF THE SCHOOL

- Attendance each Monday evening 7pm-10pm for 30 weeks from September – June.
- Homework assignments which are focused on personal reflection and learning.
- Opportunities (activations) to take what we have learned into the community to demonstrate God's love and power.
- A graduation ceremony at the end of the year where we celebrate what God has done and how we have grown over the year.
